Define the Problem Statement

Date	27 October 2023
Team ID	NM2023TMID03093
Project Name	Quantitative Analysis of Candidates in 2019 Lok Sabha Elections

Problem Statement:

Problem Statement(PS)	I am (Customer)	I'm trying to	But	Because	Which makes me feel
PS-1	Candidate	Trying to assess their performance and characteristics to gain a deeper understanding of the electoral process.	I am looking to identify key metrics and patterns in the data to make informed conclusions about the candidates' profiles, performance, and the factors influencing election outcomes."	I aim to develop a structured research methodology that includes data collection, cleaning, and analysis techniques to effectively evaluate the performance and characteristics of candidates in the 2019 Lok Sabha elections.	I am facing challenges in collecting and processing the vast amount of data available, which makes me feel overwhelmed.
